The eye **doctor** said I need **glasses**.
I told her, "No way.
I will look silly."
She went on to tell me more.

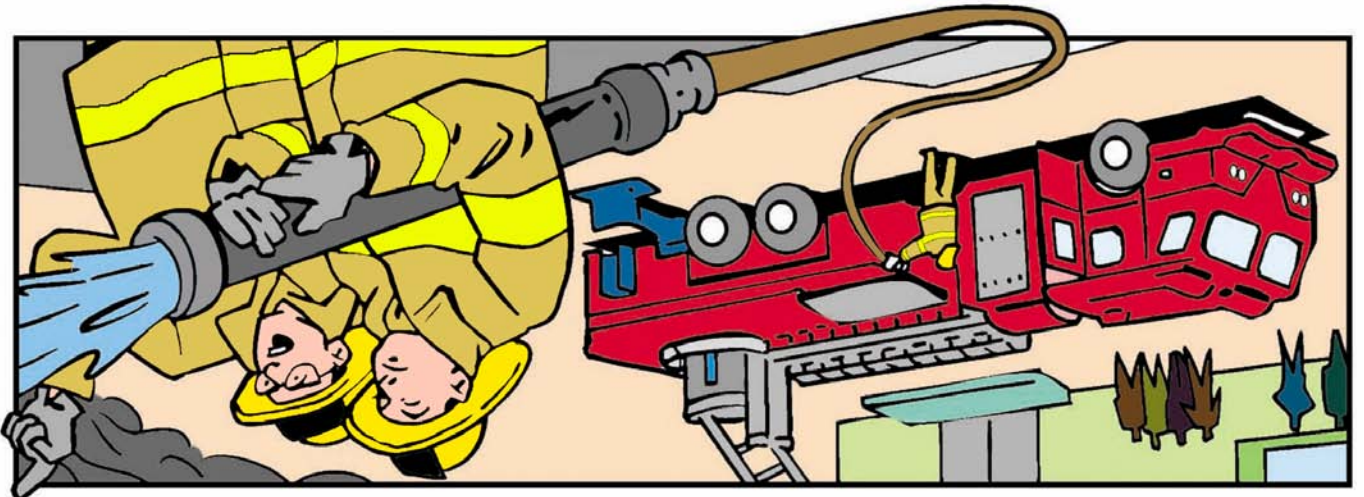

She said, "Lots of **people** wear glasses.
They don't look silly."

“Some basketball players wear glasses.
Glasses help them see better to score a basket.
Glasses help them see better to catch the ball.”

“Some **firefighters** wear glasses.
Glasses help them see better to fight fires.
Glasses help them see better to find people
in burning buildings.”

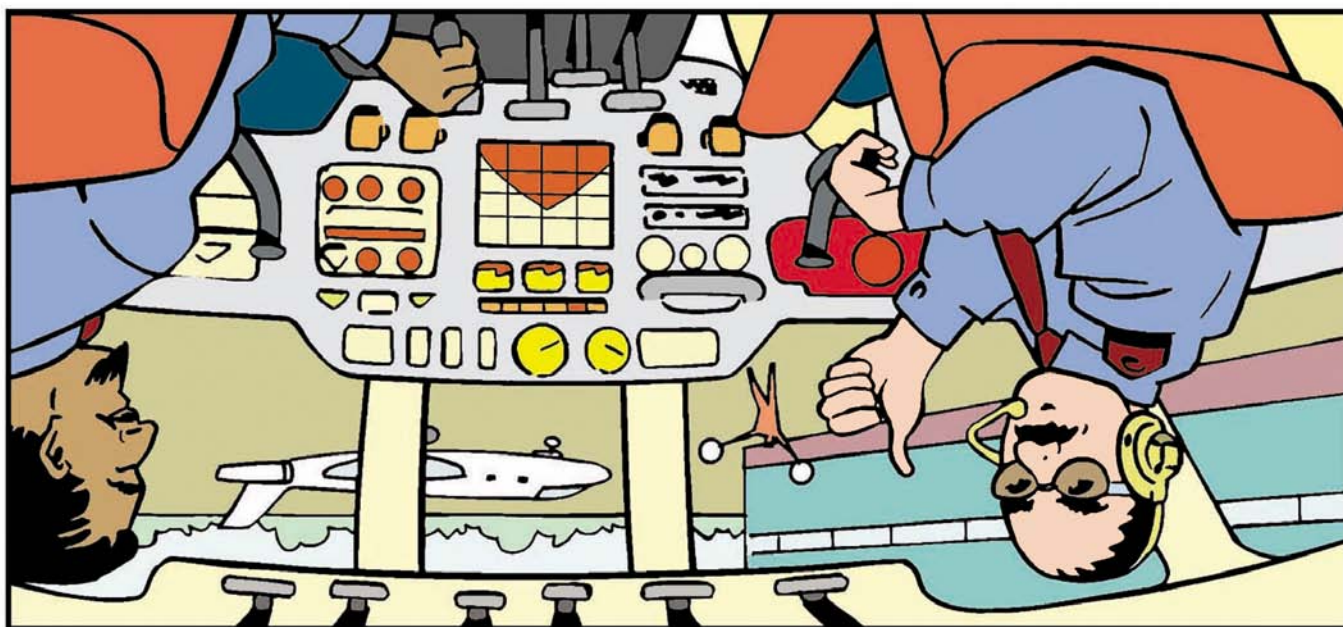

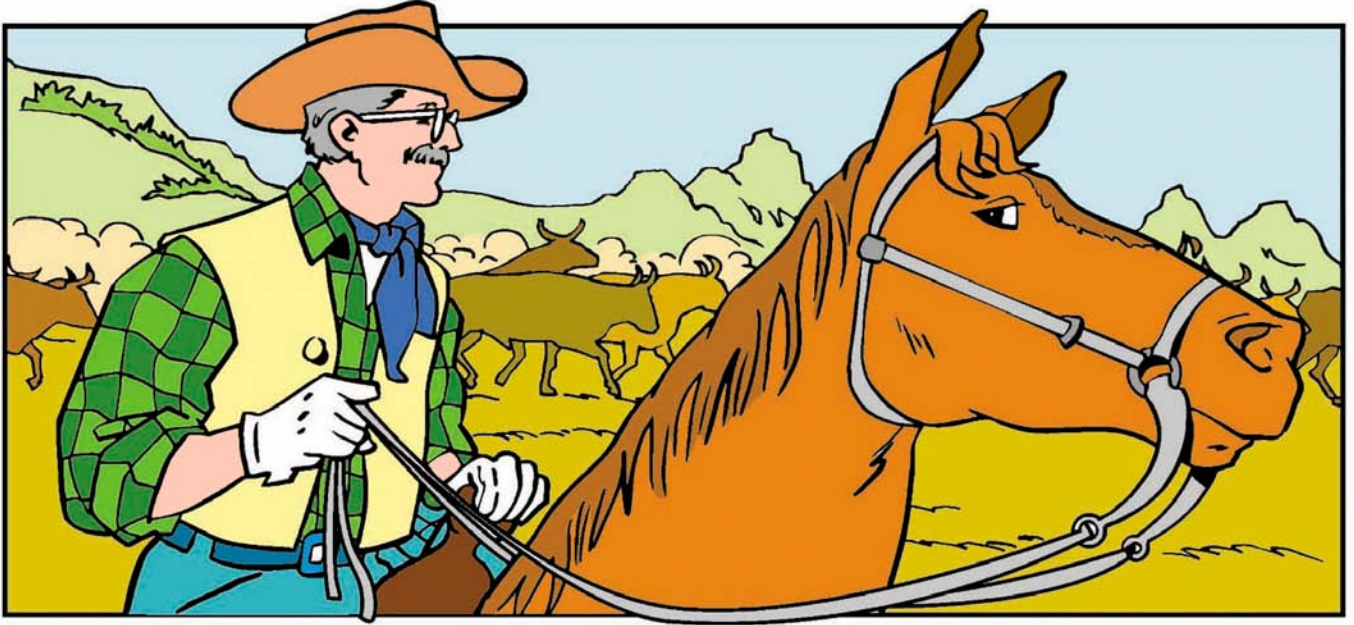

“Some **police officers** wear glasses.
Glasses help them see better to keep us safe.”

“Even some of your friends wear glasses.
Glasses help them see better to read

“Lots of people wear glasses.
 Glasses help them see better.
 They don’t look silly.
 They don’t look funny.
 They look . . .
 . . . just like . . .

“I think I’m going to like my new glasses,” Josh said.
 . . . me!”
