This is how to make a snow person.
You need to make a bottom,
a middle, and a top.
You need supplies to add details, too.

3

First, roll up a big ball.
This will be the bottom
of the snow person.

4

Second, roll up a smaller ball than the first ball. This will be the middle of the snow person.

5

Third, roll up a smaller ball than the second ball. This will be the head of the snow person.

6

Fourth, set the middle on top of the base.
Then, set the head on top of the middle.

7

Now, you have a body.
Next, you can add details to the body.

8

Add arms to the middle ball of the snow person. Add eyes, a nose, and a mouth to the head. Try to use materials that match the shapes you want.

9

Will your snow person
have a big nose?
Will your snow person
be smiling or frowning?

10

Then, you can put a hat
on your snow person's head.
Finally, you can wrap a scarf
around your snow person's neck.

11

You have made a snow person!
Will you make a friend for your snow person?
