I see a road going around corners.
Twisting and turning, the road goes on.
It winds around and around.

h

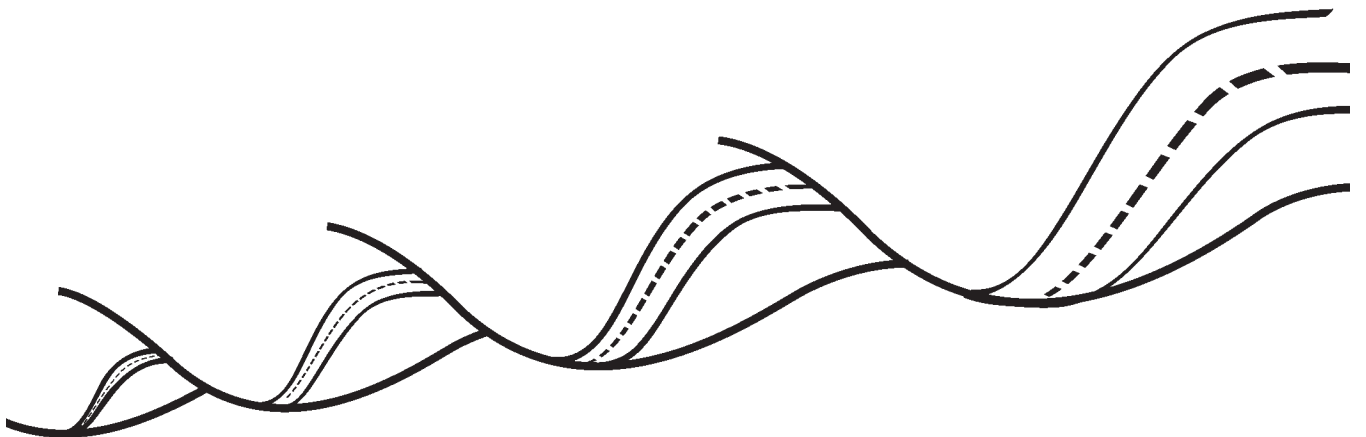

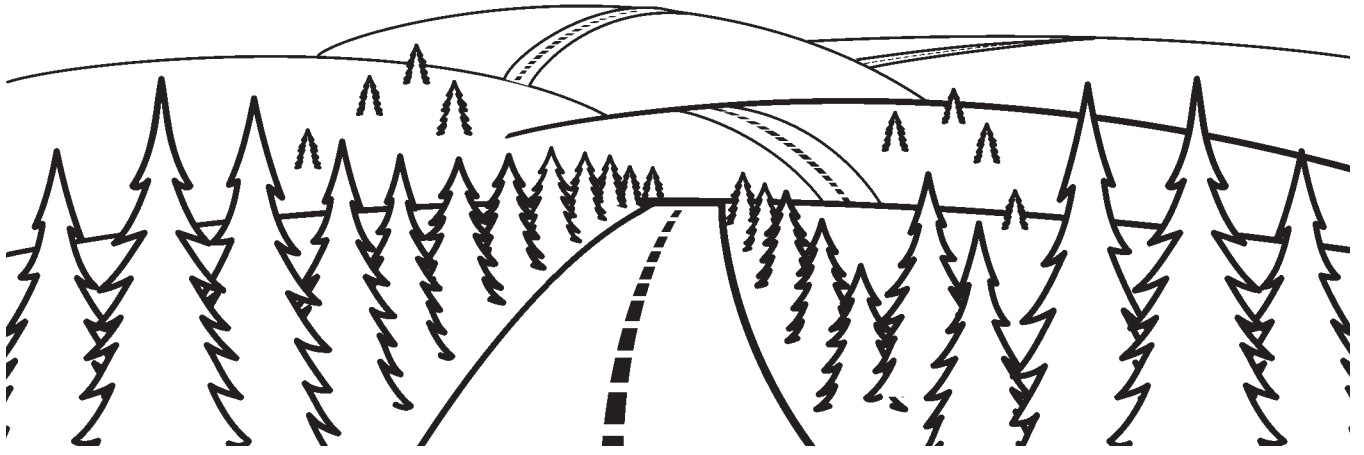

Roads go through the country.
They go to big cities.
Look at the road.
What do you see?

I see a road going up the hill.
I see a road going down the hill.
Like a roller coaster,
the road goes up and down.

6

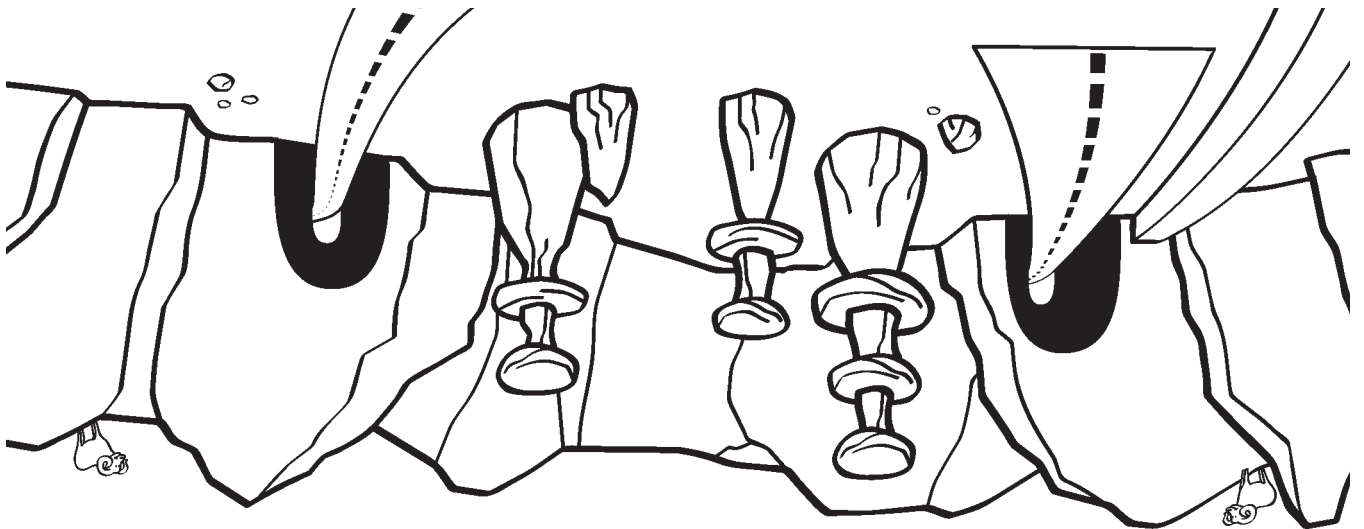

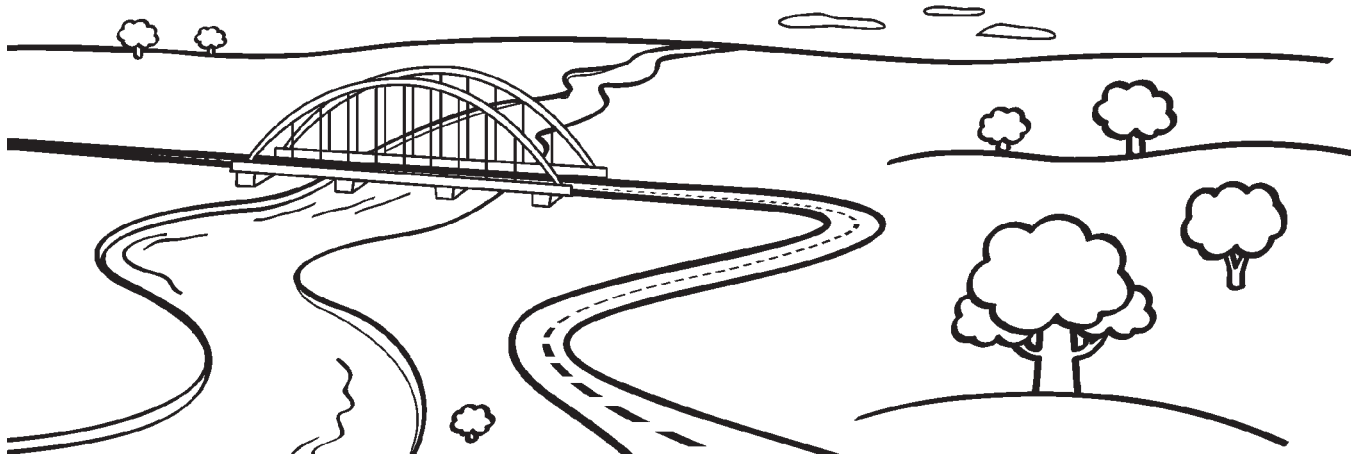

Roads go over mountains.
They go through forests.
Look at the road.
What do you see?

7

I see a road going into the tunnel.
I see a road coming out of the tunnel.
In and out of the tunnel, the road keeps going.

8

Roads cross over rivers.
They are on bridges.
Look at the road.
What do you see?

9

I see a road that goes nowhere.
I see a road that just stops.
Wow, it is a dead end.
